

THE BASIC PACKAGE

A not-so-basic, configurable software and rewards solution technology.

Rewards, rewards, rewards!

Millions of items and counting, our online rewards mall has something for everyone.

Ongoing communications

We provide annual communications plans at no cost to you. Templated communications maximize participant engagement, increasing activation and reward redemption.

Lifetime program guidance

Dedicated, ROI-certified account managers work with you to stay on brand, interpret data and develop strategic plans.

Branded website

Simply choose from one of our templated, mobile-optimized designs, and we configure it to fit your branding.

Real-time reporting suite

Convenient, and free. Access over 40 reports and analytics anytime, anywhere.

Robust content management tools

Update website messaging and target different participant groups with ease. Our automated communications platform is there for you 24/7.
